

Dear Members and Stakeholders,

We are writing with news of recent changes in leadership for the Board of Directors. It is our privilege to introduce Lynn Carver as the newly elected President and Craig Gardenswartz as Vice President of the Board of Directors. Both Lynn and Craig bring extensive experience and commitment to the board. We are confident that they will lead our organization to even greater heights.

We also bid a fond farewell to Judy McDonald, who has served as our President with exemplary dedication and vision. Judy's contributions over the years have been instrumental in shaping our organization and propelling it to its current success. Her tireless efforts, wisdom, and unwavering commitment to our mission have been truly commendable. Judy has left an indelible mark on our organization, and we extend our heartfelt gratitude for her outstanding service. We cannot thank her enough for her tireless efforts and dedication to the Botanical Garden, and we wish her all the best in her future endeavors and look forward to seeing her at future Garden events.

As we transition to this new leadership team, we are excited about the opportunities and challenges that lie ahead. Please join us in welcoming Lynn and Craig to their new roles, and in thanking Judy for her exceptional service and leadership.

The Board of Directors
